## Table Of Contents

### Gas Boilers

- ECO Tec - 80/110/150/199 ................................................................. 4  
- SVF - 1500-3000 ............................................................................... 16  
- SVF - 750-1100 ............................................................................... 26  
- AquaBalance Series 1-2................................................................. 34  
- Evergreen - 70/110/155 ................................................................. 52  
- Evergreen - 220/299/399 ................................................................. 64  
- WM97+CT/ WM97 Series 2 ............................................................ 76  
- ECO / ECO Series 2 ....................................................................... 96  
- Ultra Series 3, 3UE, 3CT ............................................................... 114  
- Ultra Series 4 ............................................................................... 126  
- GV 90+ Series 1-2 ....................................................................... 138  
- CGt Series 1-2 ........................................................................... 150  
- CGI Series 2-3 ........................................................................... 156  
- CGI Series 4 ............................................................................ 168  
- CGa Series 1-2 ........................................................................... 176  
- CGa Series 3 ............................................................................ 190  
- EG Series 1-5 ............................................................................ 200  
- EGH Series 1-5 ........................................................................... 209  
- Ultra Commercial/SlimFit/SlimFit Series 2 & 3 - 550/750 ............. 218  
- SlimFit/SlimFit Series 2 - 1000/1500/2000 ................................... 226  
- LGB Series 2 ............................................................................... 240  

### Oil Boilers

- Ultra Oil Series 1-3 ................................................................. 266  
- WGO and WTGO Series 1-3 .......................................................... 272  
- SGO Series 1-3 ....................................................................... 278  
- GOLD Oil Jackets ....................................................................... 282  

### Gas/Oil Boilers

- 80 .............................................................................. 284  
- 88 .............................................................................. 288  
- 94 .............................................................................. 292  

### Additional Products

- Aqua Plus / Aqua Plus Series-2 .............................................. 298  
- AquaLogic ........................................................................... 302  
- Aqua Pro ............................................................................. 304

**VENT/AIR PARTS & KITS (PVC OR STAINLESS STEEL)**  
( Available From Weil-McIain)

- PVC Concentric Vent Kit - Horizontal or Vertical - (Includes Components For Concentric Assembly)
- 383-700-167 Kit for 2” PVC Vent and Air Pipes - Approved for ECO Tec - **80/110/150 Models Only**
- 383-500-350 Kit for 3” PVC Vent and Air Pipes

**VENT/AIR PARTS & KITS (PVC IPEX)**  
( Available From IPEX Only)

- PVC Concentric Vent Kit - Horizontal or Vertical - (Includes Components For Concentric Assembly)
- 196005 2” PVC Concentric - Approved For ECO Tec - **80/110/150 Models Only**
- 196006 3” PVC Concentric

**VENT/AIR PARTS & KITS (POLYPROPYLENE PIPE)**  
( Available From M&G Simpson-Duravent Only)

- **2PPS-VK** M&G Simpson-Duravent PolyPro VERTICAL Concentric Vent/Air Pipe Kit - (Color - Black is Part Number Shown) or Terra Cotta - (Add - TC Suffix) For 2” Polypropylene Pipe
- **3PPS-VK** M&G Simpson-Duravent PolyPro Vertical Concentric Vent/Air Pipe Kit - (Color - Black is Part Number Shown) or Terra Cotta - (Add - TC Suffix) For 3” Polypropylene Pipe
- **2PPS-HTP** M&G Simpson-Duravent PolyPro SIDEWALL Separate Vent/Air Pipe Kit - For 2” Polypropylene Pipe
- **3PPS-HTP** M&G Simpson-Duravent PolyPro SIDEWALL Separate Vent/Air Pipe Kit - For 3” Polypropylene Pipe
- **3PPS-R2L** M&G Simpson-Duravent PolyPro - 3” to 2” Polypropylene Adapter

**VENT/AIR PARTS & KITS (POLYPROPYLENE PIPE)**  
( Available From Centrotherm Eco Systems Only)

- **ICWT352** Centrotherm INNOFLUE SIDEWALL 3” Concentric Polypropylene Vent/Air Pipe Kit
- **ICWT242** Centrotherm INNOFLUE SIDEWALL 2” Concentric Polypropylene Vent/Air Pipe Kit
- **ICRT2439** Centrotherm INNOFLUE VERTICAL Concentric Vent/Air Pipe Kit - 2” Polypropylene Pipe
- **ICRT3539** Centrotherm INNOFLUE VERTICAL Concentric Vent/Air Pipe Kit - 3” Polypropylene Pipe
- **ISRD0302** Centrotherm INNOFLUE - Polypropylene 3” to 2’ Adapter

**STAINLESS STEEL VENT/FLUE & AIR ADAPTER CONNECTIONS**

### Notes:
1. Order sufficient quantities to replace all orifices within a base.
2. Number of burners:
   - **EG-30**: 2 main burners and 1 burner with pilot bracket
   - **EG-35**: 3 main burners and 1 burner with pilot bracket
   - **EG-40**: 4 main burners and 1 burner with pilot bracket
   - **EG-45**: 5 main burners and 1 burner with pilot bracket
   - **EG-50**: 6 main burners and 1 burner with pilot bracket
   - **EG-55**: 7 main burners and 1 burner with pilot bracket
   - **EG-65**: 9 main burners and 1 burner with pilot bracket
   - **EG-75**: 11 main burners and 1 burner with pilot bracket

### Miscellaneous Parts and Kits

| Part No.       | Description                                                                 | Size  
|----------------|-----------------------------------------------------------------------------|-------
| 383-600-287    | Condensate Neutralizer Kit, With Instructions, Up to 3000 MBH               | ALL   
| 591-706-201    | Heat Exchanger Cleaning Tool                                                 | ALL   
| 383-600-093    | Pressure Relief Valve, ASME 30 PSI, 1¼" N.P.T.                              | ALL   
| 383-600-101    | Pressure Relief Valve, ASME 50 PSI, 1¼" N.P.T                               | ALL   
| 383-600-299    | Pressure Relief Valve, ASME 80 PSI, 1¼" N.P.T, With New P/T Gauge           | ALL   
| 383-600-298    | Pressure Relief Valve, ASME 100 PSI, 1¼" N.P.T, With New P/T Gauge          | ALL   
| 592-900-006    | Antifreeze, Sentinel X500--5 Gallons                                       | ALL   
| 592-900-016    | Corrosion Inhibitor, Sentinel X100--5 Gallons                              | ALL   
| 592-900-017    | Corrosion Inhibitor, Sentinel X100--50 Gallons                             | ALL   
| 592-900-003    | Cleaner, Sentinel X400--275 ml Tube                                        | ALL   
| 592-900-005    | Inhibitor Quick Test Kit                                                    | ALL   
| 383-600-225    | Annual Maintenance Kit (Includes 1-Ignitor, 2-Ignitor/Flame Sensor Gaskets, | ALL   
|                | 4-Screws For Ignitor/Sensor, 2-Washers For Ignitor, 1-Flame Sensor, 1-Inhibitor Test Kit, 2-Blower Connection Gaskets, and 1-Silicone Cord For Clean Out Plate |       
| 560-907-739    | Vent/Air Adapter 6.00" CPVC/PVC – Converts boiler connection to CPVC/PVC diameter. |       
| 560-907-738    | Vent/Air Adapter 8.00" CPVC/PVC – Converts boiler connection to CPVC/PVC diameter. |

**Note: Refer to Table 1 to Key Size Designator According to Boiler Size**

LGB base insulation part numbers have changed. The front and back insulation set, Item 9, is replaced with the following part numbers.

- Note: Both a front and a rear insulation piece must be ordered now, instead of a set.
- On the larger bases, 2 pieces make up the front insulation and 2 pieces make up the rear insulation.

- **D Base** = A front and rear plus an **E** front and rear
- **E Base** = **B** front and rear plus an **E** front and rear
- **F Base** = A front and rear plus a **D** front and rear
- **G Base** = **B** front and rear plus a **D** front and rear

</table>

**Note 1:**
Series 1 block assembly for GV boilers no longer available. Series 2 block can be used on Series 1 boiler. Only difference is bypass tapping on top of front section is 3/4" on series 2 block and 1/2" on series 1 block. Use 3/4" x 1/2" bushing and/or see Tech Bulletin SB0401R1 at our web site, www.weil-mclain.com.

**Spark Ignition Cannot Be Used With Propane Gas**

- 1 511-044-381 Combination Gas Valve, ½" x ½" N.P.T., 24 Volt CG-25 to CG-6
- 2 511-330-218 Pilot Assembly Kit (includes: Orifice, Aluminum Pilot Gas Tubing, Spark Wire and Sense Wire)
- 3 560-742-860 Pilot tubing, ⅛" O.D. x 22 ¾", With Fittings
- 4 511-330-097 Ignition Sensing Control Module Without Damper Molex, 24 Volt, Series-12 Only
- N/S 591-391-863 Wiring Harness, PIDN, Series-12 Only
- 4 511-330-095 Ignition Sensing Control Module With Damper Molex, 24 volt, Series-11 Only

**Series 6 Thru 10 Boilers**

White-Rodgers Cycle Pilot Ignition Systems and Johnson Control Ignition Systems are obsolete and replaced by the following conversion kits:

- N/S 510-811-458 Spark Pilot Conversion Kit (Includes: UT Control Module, ½" Gas Valve, Pilot Assembly, Wiring and Instructions) Natural Gas Only CG 25-6
- 510-811-459 Spark Pilot Conversion Kit (Includes: UT Control Module, ¾" Gas Valve, Pilot Assembly, Wiring and Instructions) Natural Gas Only CG 7-8

**Note:** There is no Wiring Harness for series 11 boilers. Boiler had individual wires.

</table>

Note: Number of burners for HE/VHE/HEII Boilers:
- HE/VHE/HEII-3-(4 main burners),
- HE/VHE/HEII-4-(6 main burners),
- HE/VHE/HEII-5-(8 main burners),
- HE/VHE/HEII-6-(10 main burners).

For Cycle Pilot HE/VHE Boilers subtract one main burner, and add one pilot burner to each above.

Boiler Cement Quantities Required:
- HEII-3-(1 Can),
- HEII-4-(2 Cans),
- HEII-5-(3 Cans),
- HEII-6-(4 Cans),
1 Can Equals ½ Gallon (Used For Base Front and Back Cross Ties on HEII)

Burner Manufacturer Contact Information

When ordering burner repair parts from the following manufacturers, please provide UL Serial Number, Burner Model Number and Control/Burner Specification Number as appropriate.

R.W. Beckett Corporation
38251 Center Ridge Rd.
PO Box 1289
Elyria, OH 44035
440-327-1060

Carlin Combustion Technology, Inc.
70 Maple St.
East Long Meadow, MA 01028
413-525-7700

Power-Flame, Inc.
2001 S. 21st St.
Parsons, KS 67357
620-421-0480

Webster Engineering and Manufacturing Co., Inc.
619 Industrial Rd., Drawer 748
Winfield, KS 67156
620-221-7464

Riello Corporation Of America
35 Pond Park Road
Hingham, MA 02043
800-474-3556
For trade price schedule, wiring diagrams, boiler manuals or appropriate control supplement, please go to Weil-McLain.com
