

Weil-McLain DOE Compliance Transition SGO / WGO / WTGO 8 and 9 Section Models

Valued Commercial Boiler Sales Network,

Please find the following commercial cast iron product family announcement as Weil-McLain continues its portfolio transition to conform to the U.S. Department of Energy regulation 431.87 with effective date of 01/10/23.

SGO, WGO, & WTGO 8 and 9 Section, Series 4 Models Discontinuation

The following models are planned for discontinuation as new DOE minimum efficiency requirements go into effect in January 2023. Smaller 3-7 section product family configurations are the targeted replacement solutions.

- SGO-8 & SGO-9 Steam Series 4 boiler models discontinuation
- WGO-8 & WGO-9 Water Series 4 boiler models discontinuation
- WTGO-8 & WTGO-9 Water Series 4 boiler models discontinuation

The last order deadline for the above models is 12/09/22. Orders received by this date will be shipped as DOE-compliant series 4 configurations.

Note: SGO, WGO, & WTGO Series 4 replacement sections and parts availability does not change.

Last Order Approach

- Single purchase order.
- Order in excess of one-month historical customer order trends to be filled after smaller channel partner orders.

As always, thank you for your continued support of the Weil-McLain commercial boiler portfolio.
