

## ProTools Tech App Two New Sales Flyers Available for Order

Installers and technicians are always looking for ways to make the most efficient use of their time at jobs. The Weil-McLain ProTools Tech App makes installing and servicing our residential and commercial products easier and faster.

This powerful, cloud enabled tool puts all our tech support resources at your fingertips, making operations more efficient, more productive, and more profitable.

To promote this exciting new app, we launched a full marketing campaign and now have two new sales flyers to further highlight the features and benefits. Make sure you have these new flyers available to share with contractors.

To order hard copies of the **ProTools Tech App** and **ECO Tec Series 2 Connected Capabilities** flyers, click [here](#) to reach the distributor portal and login with credentials, then:

1. Click "Distributors"
2. Click "Order Printed Literature"

To quickly view and download electronic versions, please click on the links below.
