

New Additional Sizes of Evergreen High Efficiency Boilers

Now a Full Line of our award winning premier gas boiler!

We are now taking orders, with shipping starting mid October.

Weil-McLain is proud to announce three new sizes of Evergreen gas water boilers. The 70K, 110K and 155K BTU input sizes join our existing 220K, 299K & 399K sizes - providing full coverage for residential and light commercial applications.

In addition to the great features and capabilities of the larger 220-399K Evergreen, the following are a few highlights:

- 5 years parts warranty for residential applications
- ECM circulator – shipped standard with 70-155K sizes only, eligible for rebates where available
- 95% AFUE rating, designated as “Most Efficient” by ENERGY STAR – eligible for utility rebates where available
- Floor standing or wall hung capable as standard equipment-easily adapts to any installation variable

The chart below identifies our three new Evergreen size part numbers and trade prices.

Description	Part #	Trade Price
EVG 70 Blr S1 T-007e/VR1816	383-900-004	\$ 3,213
EVG 110 Blr S1 T-007e/VR1816	383-900-005	\$ 3,534
EVG 155 Blr S1 T-0015e/VR1816	383-900-006	\$ 4,105

But wait, it gets better... Order multiple Evergreens, and save some green!

For orders received October 5th to end of business on October 27th, receive a rebate of 3% when purchasing 5-9 Evergreen boilers, and 4% when purchasing 10 or more Evergreen boilers.
