

Use our Fall Rebates to Stock Up Now

TO: Weil-McLain Distributors

Get ready to take advantage of our special rebates – it's the **Weil-McLain 2018 Fall Full Line and Parts Stock Up Program!**

Stock up now before winter approaches and benefit from exciting sales incentives on our advanced line of high-efficiency boilers—all designed to meet the unique heating demands of residential and commercial applications.

This fall, Weil-McLain gives you more boiler choices than ever, each featuring the latest hydronic heating technology for ideal heating comfort and energy-saving performance. They include:

- Expanded sizes of Evergreen®
- AquaBalance® Series 1 & 2
- Ultra™ Series 4
- GV90+ Cast Iron Boiler

To further boost your sales, Weil-McLain will be launching a **Contractor Pull Program** this heating season. It focuses on our new, full line of high efficiency products, including:

- **AquaBalance Series 1 & Series 2** heat only and combi boilers
- **Evergreen** premium stainless steel – expanded line with 6 sizes from 70K-399K
- **Aqua Plus Series 2** indirect-fired water heaters, featuring a complete 316L stainless steel construction, an added pickling & passivation process to further resist any corrosion, and a low voltage digital control

The all new AquaBalance Series 2 boiler boasts an efficiency rating of 95% AFUE. The AquaBalance Series 1 will be available while supplies last and is priced 4% less than the Series 2. We'll be offering a further discount of up to 10% on Series 1 through the Fall Full Line and Parts Stock Up Program. Both AquaBalance Series 1 and 2 will be included in the volume discounts below, to give you flexibility when you order.
