

## Stock Up Now for Heat Season on Weil-McLain Boilers and Parts

Dear Weil-McLain Partners,

Heat Season is right around the corner! Now is the time to stock up and save on our full line of residential and commercial boilers, water heaters and parts with valuable rebates from Weil-McLain! For complete details, click on the button below to download the flyer.

In addition, all Aftermarket Parts orders greater than \$5,000 are eligible for rebates and free shipping. Qualifying product is in the TPS# 59P Service Parts Trade Price Schedule. Please note that Aftermarket Parts totals are separate and *do not* count towards meeting the **\$50,000** and **\$125,000** product model minimum combined thresholds. This fall program starts on **Monday 8/17/20**, and ends at the close of business on **Friday 9/4/20**.
