

## Evergreen Boilers Transitioned to New Evergreen Pro Color

Valued Distributor,

As a follow-up communication to an earlier bulletin (MB2102) sent on 1/7/21, Weil-McLain started producing the Evergreen Pro boilers. The beginning CP numbers are as follows:

- CP7890414 for the smaller 110/155 sizes
- CP7894519 for the larger 220/299/399 sizes

Important update note:

- There is a new part number for the natural to propane gas conversion kit for the 220 size Evergreen Pro boiler, it is part # 540-202-849 (no longer use 540-202-840), with a trade price of \$135.

For additional details on these topics, please click on the links below to view the original bulletins.
