

## Honeywell MCBA Control Modules for Ultra Series 1 and Series 2 are Discontinued

Valued Distributor,

This note is to advise you that Weil-McLain part #'s 383-500-190 and 383-500-191 are no longer available. This is due to the manufacturer discontinuing the production of these part numbers.

Part #'s 383-500-190 and 383-500-191 are Honeywell MCBA control modules for Weil-McLain's earlier Ultra Series 1 and Series 2 boilers (last produced in July of 2008.)

Weil-McLain is offering an Ultra Series 1 and 2 control module upgrade kit, part #383-500-665, trade price is \$450.00 (as listed in the TPS#59P). This part number is not a drop-in replacement for the 383-500-190 and 383-500-191, but can be utilized to extend the service life of the Ultra Series 1 and 2 boilers.
