

SlimFit 1000-2000 Transition to New Color

Commercial Boiler Channel Partners,

Weil-McLain announces the production transition of SlimFit 1000-2000 models to the refreshed color scheme. This marks the full transition of the SlimFit product family 500-2000 MBH with all new orders. Refer to product bulletin MB2109 for more detail on May 2021 SlimFit 500-750 model production transition.

All part numbers remain the same with shipping carton label graphics (below) to help manage existing field inventory. Find the following links to the updated SlimFit 4-page sales brochure and commercial boiler line card.

"Slate Gray" labels added to all four sides of shipping container to enable quick identification of new boiler color scheme
