

2023 Pricing Adjustment Announcement

Weil-McLain Distributors, Sales Representatives and Agents:

Weil-McLain will be implementing a price adjustment **effective April 24, 2023**, due to general cost increases. Prices for Weil-McLain products will increase by the percentages listed further below.

All previous price sheets currently in effect will be replaced by the updated pricing for all orders received on or after **April 24, 2023**. All Weil-McLain pricing will be available in the new TPS #64 and TPS #64P price lists.

- The electronic versions of our new pricing will be available March 24, 2023 on the [Weil-McLain distributor portal](#).
- Hard copies of the TPS #64 and TPS #64P books can be ordered through the distributor portal starting March 24, 2023, with shipment of orders starting mid-April. No books will be shipped without an order.

Product orders received on or after **April 24, 2023**, will be subject to the new pricing. Weil-McLain job quotation orders dated before **April 24, 2023**, and received on or before **May 8, 2023**, with a release date of no later than **May 22, 2023**, will be honored at TPS #63 pricing.

Commercial "hold orders" with release dates no later than **May 22, 2023**, will be honored at TPS #63 pricing.

The price increase varies by type.

Commercial Boilers

- Cast Iron: 5%
- High Efficiency: 5% (Except SVF 1500-3000 Series 1: 0%)

Residential Boilers

- Cast Iron: 5%
- High Efficiency: 5% (Except Evergreen & ECO Tec: 3%)

Indirect-Fired Water Heaters

- Aqua Plus: 5%
- Aqua Pro: 10%

Service Parts: Approximately 5%

As always, Weil-McLain continues to work to deliver on your orders, reduce lead-times and to work toward getting back to normal. Be assured, we will continue our commitment to bring you the best value in the industry.

If you have any questions regarding this announcement, please contact your local Weil-McLain Sales Representative directly.

Thank you for your continued business and support.

Regards,

Michael Doorhy
