

SVF 500-600 & SVF 1500-3000 Series 2 Models

Weil-McLain is excited to announce the formal market launch of the new 500-600 family of stainless, vertical firetube boilers, along with the upgraded SVF 1500-3000 Series 2 with the Nuro controller and Nuro Connect software for remote monitoring. This launch completes Weil-McLain's full line of high efficiency commercial boilers now in expanded sizes of 500 to 3000 MBH.
