

Marketing Bulletin

BULLETIN NO: MB-0606

DATE: June 28, 2006

PAGE: 1

TO: All Weil-McLain Distributors and Agents
FROM: Tony Curran – VP Sales
Dave Dolan – VP Marketing
SUBJECT: Weil-McLain Seasonal Plant Maintenance Notification – July 3-7, 2006

To minimize any potential customer disruptions, Weil-McLain will conduct its annual plant shutdown during the Fourth of July holiday week. The shutdown, which enables maintenance and optimization of production facilities to better serve our clients, will take place **from Monday July 3rd through Friday July 7th**. During this period Weil-McLain can receive orders but will be able to schedule only emergency shipments. Should you require an emergency shipment, please reach out to your Weil-McLain customer service representative, Weil-McLain sales representative or local sales office.

In addition to the plant hiatus, Weil-McLain's Customer Open Order Status Website will be temporarily off line from **Friday July 7th to Tuesday July 11th**. Should you require updates regarding your shipments during this period, you can also reach out to your Weil-McLain customer service representative, Weil-McLain sales representative or local sales office for the latest information.
