Without compromise -1881-

TO: All Weil-McLain Distributors and Agents

FROM: Dan Vassar – Marketing Communications Manager

SUBJECT: **Expanded UPS Shipping Hours**

In our continued efforts to provide superior customer service, Weil-McLain will be rolling out a new staggered/second shift in our Parts Carousel area. This expanded service will commence on Monday, September 17, and allow for an extension of our cut-off time for processing United Parcel Service (UPS) orders. Our new cut-off time will be 4:00 p.m. Eastern Standard Time (EST) and will provide additional time to pull and process critical late-day customer UPS orders.

If you have any questions, please contact your Weil-McLain sales representative or local sales office.
