SUBJECT: New Energy Star CGi-4E & CGs-4E Residential Gas Boilers

“Enhanced” for Energy Star (**85% AFUE**) -- Weil McLain has added two new boilers to the popular CGi & CGs residential gas boiler lines. The new CGi-4E and CGs4E boilers do not replace the existing CGi-4 & CGs-4, but now give customers an option to take advantage of energy efficient incentives, like the type that are associated with the Energy Star program.
