

TO: All Weil-McLain Distributors and Agents
FROM: Mike Boyd – Product Marketing Manager
SUBJECT: New Series of Ultra Oil Boilers – Series 2

Weil-McLain's new series of Ultra Oil boilers now feature the Fuel Smart HydroStat 3250 PLUS control as standard equipment, and meets the DOE 2012 requirement for products manufactured after August 31, 2012. We will start to fill existing orders with the new Series 2 boiler part numbers as they become available.

A quick look at the Ultra Oil and there is no doubt why it's one of the industry's leading boilers...
