

**TO:** All Weil-McLain Distributors and Agents

**FROM:** John Kopf – Sr. Commercial Product Manager

**SUBJECT:** **EGH Atmospheric Boilers – Replacement and Repair Only Blocks**

On October 22, 2012, we sent out marketing bulletin No MB-1224 announcing temporary suspension of the EGH boiler product line. In the same bulletin, we provided you with a suggested cross-reference for the EGH using LGB as alternative solution.

As stated in that bulletin, we will continue supporting you and your customers' repair and warranty needs. The following table shows new part numbers that were set up to help you identify your Repair-Only replacement blocks.

EGH replacement and Repair-ONLY blocks
