

TO: All Weil-McLain Distributors and Agents

FROM: Mike Boyd – Product Marketing Manager

SUBJECT: **New WM97+ Companion Water Heater (CWH) & Boiler Part Numbers**

Weil-McLain is proud to announce the new WM97+ Companion Water Heater (CWH) as an optional component to our WM97+ residential gas boilers. We updated the WM97+ boiler part numbers to make it easier to distinguish the boilers that can recognize and operate the new Companion Water Heater. We will start to fill existing WM97+ boiler orders with the new boiler part numbers as they become available.

A quick look, and there is no doubt why it will be the industry's brightest star!

- ✓ **Exclusive 18.2 Gallon 316L Stainless Steel Tank Design**
- ✓ **Quick "Plug & Play" ability – all connection items included**
- ✓ **Expanded Polypropylene dent/scratch resistant jacket**
- ✓ **Selectable performance modes – match comfort with fuel savings**
- ✓ **Programmable setback – max performance when you need it most**
- ✓ **Bigger is better – volumes of hot water for more flow during peak demand**
- ✓ **Dual sensors – reaction time is quicker, for faster recovery**
- ✓ **Backed by Weil-McLain - North America's leading boiler manufacturer**

New WM97+ Boiler Part Numbers

Please note that your old part number WM97+ boilers are not compatible with the new Companion Water Heater.

To obtain an in-depth look at the features and benefits of the WM97+ Companion Water Heater, please review the attached product sales flyer. Hard copies of the WM97+ CWH flyer are available through our Literature Department. To place a literature order, complete and fax a Sales Literature Request Form to (574) 271-4863.

For more information, please contact your local Weil-McLain Sales Representative.

And as always, thank you for your continued support of Weil-McLain products and services.
