

TO: All Weil-McLain Distributors and Sales Representatives
FROM: John Kopf – Sr. Product Manager
SUBJECT: SlimFit™ – New Commercial Condensing Boiler Line

Weil-McLain proudly announces an addition to the existing line of Ultra 550/750 commercial boilers – our new SlimFit™ high-efficiency commercial boiler line in three sizes 1,000 MBH, 1,500 MBH and 2,000 MBH!

SlimFit™

Rating of up to 96.1% Combustion Efficiency

Installs FAST, Built to LAST

- *Easy to Install - Designed for fast, easy installation in commercial and institutional settings*
- *Easy to Own - Durable and reliable, ready for a lifetime of smooth operation*
- *Right Fit for Retrofits - Fastest, easiest solution for limited-space retrofits*

Feature		Benefit
Above 96% Efficiency	→	Rebates, tax credits, LEED points and green building status
Slim design and easy disassembly	→	Perfect for retrofits with difficult access
10 year Heat Exchanger, 2 year parts warranty	→	Reliability, durability and lower risk
LH & RH configuration	→	Minimized footprint and simplified piping
Aluminum heat exchanger	→	Excellent heat transfer rate, low cost and lower weight
Composite condensate base	→	Heat exchanger durability and corrosion resistance
6:1 turndown ratio	→	Wide operating range and improved efficiency
Multiple vent orientations and materials	→	Installation flexibility and lower cost
7" color touch screen LCD	→	Intuitive and informative display
Industry leading controls	→	Lead/lag, full modulation and lead boiler rotation
Fully factory assembled and tested	→	Plug and play installation, lower initial cost and risk

The following documents are currently available from the SlimFit product page at www.weil-mclain.com:

- Product Brochure
- Technical Submittal
- Engineering Specification
- User's Manual
- Boiler Installation and Operation Manual
- CAD, PDF and Revit drawings

Hard copies of the SlimFit literature will be available through our Literature Fulfillment Department. To place a literature order, complete and fax a Sales Literature Request Form to (574) 271-4863.

SlimFit pricing has been loaded into JD Edwards and is ready for ordering:

SlimFit - Base Unit		
Part No	Description	Trade
383-600-012	SlimFit Model SF1000L - Left Hand	\$ 28,736
383-600-013	SlimFit Model SF1500L - Left Hand	\$ 35,518
383-600-014	SlimFit Model SF2000L - Left Hand	\$ 41,580
383-600-015	SlimFit Model SF1000R - Right Hand	\$ 28,736
383-600-016	SlimFit Model SF1500R - Right Hand	\$ 35,518
383-600-017	SlimFit Model SF2000R - Right Hand	\$ 41,580
Optional Equipment		
383-600-101	Pressure Relief Valve 50 PSI	\$ 128
383-600-299	Pressure Relief Valve 80 PSI	\$ 208
383-600-298	Pressure Relief Valve 100 PSI	\$ 228
383-600-287	Condensate Neutralizer Kit	\$ 388
383-600-304	UPC BACnet Translator Kit	\$ 1,557
383-600-225	Maintenance Kit	\$ 101
383-600-297	Outdoor reset Kit *	\$ 319

* Outdoor reset kit required only for single boiler installations.

We plan on having a two-week lead time as standard, however, we are currently building inventory to have a small number of units on hand for immediate shipment. Please review the attached product brochure and recommended stocking parts list. For more information, please contact your local Weil-McLain Regional Sales Office.

Thank you for your continued support of Weil-McLain products and services.
