**FROM:** Vithika Mehrotra, Sr. Marketing Communications Manager  
**SUBJECT:** Service Parts Catalog

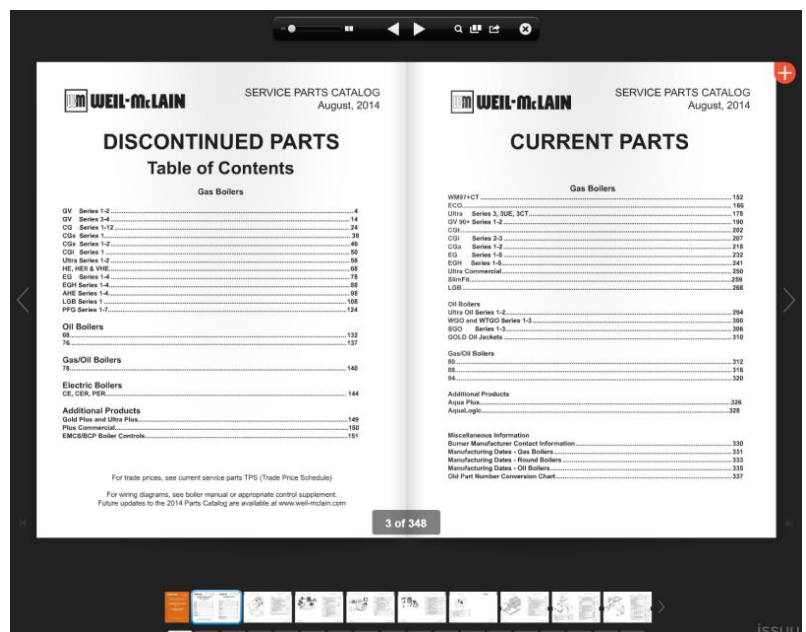

The time has come to put our Big Orange Service Parts Catalog in print. Hard copies of the catalog will be available to order online starting August 5th. To offset the additional cost to print such a large catalog, we will be charging \$15.00 per catalog. However, between August 5th and August 22nd, we will take pre-orders for \$7.50 each in order quantities of 10. After August 22nd, the cost of the catalog will be the published price of \$15.00 each with the minimum order quantity of 1.

To order the printed catalog, please access the Distributor Print Fulfillment module on our [website](#). Login with your 5 digit account number for User Name and Password, and choose the **WM\_Service Parts Catalogs** section. The secured site will accept payment using Visa, MasterCard, Discover, or American Express credit cards. Confirmation and delivery information is standard with the service that you've come to expect using our online ordering.

The parts catalog is also available for FREE by viewing on our [website](#) or ordering the Service Parts CD online in the section entitled **Weil-McLain Dealer Ordering Site** under **WM\_Manuals (Distributor)**. The online version is an interactive PDF in a catalog format where you can search and flip pages similar to an online publication.

If you have any questions about ordering literature online, please reference this [tutorial](#). The only difference in ordering the Service Parts Catalog is that there is a secured checkout feature to accept credit cards. Currently, all other literature is free of charge and free shipping.
